## NOTICE AND CERTIFICATION

 $\mathbb{C}$ 

 $\bigcirc$ 

 $\circ$ 

0

 $\mathsf{C}$ 

The waste identified on manifest number  Waste Code  is subject to land disposal restrictions contained in CCR Title 22, Chapter 18, Article I. The waste meets the definition of a treated hazardous waste pursuant to Health and Safety Code, Section 25179.3 (1)(2), which states that waste is considered treated if the waste does not contain any substances above the Soluble Thresholds Limit Concentration values established in CCR Title 22, Chapter 18, Article II; and the waste is not prohibited from land disposal as provided in Health and Safety Code, Section 25179.6.
(waste analysis is attached for these wastes, where available)
As required by CCR Title 22, Chapter 18, Article I, the following certification is made for these wastes:
I warrant that I am an authorized representative of the generator. I certify under penalty of the law that the waste complies with the treatment standards specified in California Code of Regulations, Title 22, Division 4.5, Chapter 18, Section 66268.114. I believe that the information I submitted is true, accurate, and complete. I am aware that there are significant penalties for submitting a false certification, including the possibility of a fine and imprisonment.
